## Benito Mussolini

Nel corso degli anni 1940, Stalin creò la struttura statale e di partito sulla quale si sarebbero basati i successivi stati comunisti. While many historians have explained Mussolini's introduction of the as being purely a pragmatic move to gain favour with Italy's new ally, others have challenged that viewpoint and pointed out that Mussolini, along with other Fascist officials, had encouraged antisemitic sentiment well before 1938, such as in response to significant Jewish participation in , a highly prominent anti-Fascist organisation. La Comune fu sconfitta, la rivoluzione del 1905 fu sconfitta, ma poi venne il 1917.

## Stato socialista

Thus when World War II in Europe began on 1 September 1939 with the eliciting the response of the United Kingdom and France declaring war on Germany, Italy did not become involved in the conflict. Badoglio kept up the appearance of loyalty to Germany, and announced that Italy would continue fighting on the side of the Axis. It also granted a two-thirds majority of the seats in Parliament to the party or group of parties that received at least 25% of the votes.

## Socialismo utopistico

Inoltre, in , l'Armata Rossa partecipò alla guerra contro il e fondò uno Stato socialista in. Once the war started, Austrian, British, French, and German socialists followed the rising nationalist current by supporting their country's intervention in the war.
