However at the on 20 May 1521 he was gravely injured when stormed the fortress of Pamplona, and a ricocheting off a nearby wall, shattered his right leg. How can I query Loyola Press about my submission? The wolf was a symbol of nobility, while the entire design represented the family's generosity towards their military followers.

## Christian Books, Bibles, Gifts & more.

Ignatius is also the foremost patron saint of soldiers. Ignatius and his inner world, and not mainly about two people that followed him around on pilgrimage even if their lives were very much changed by the experience. That's not bad, but the first hundred pages are dedicated to telling the fictional tale of the main character, and hardly any Ignatius introduction at all.
