### What Causes the Day/Night Cycle on Earth?

It is a time of fear and danger, a symbol of death and of the return to chaos cf. The halakhah used systems a and b , while c , which is the most ancient and is based on the direct observation of the movement of the celestial bodies, is only of secondary importance.

### By Day, By Night

The profound psychological effect made on man by the regular change from day to night is a theme in the aggadah, epitomized in Adam's fear upon watching the first sunset Av.

### By Day, By Night

The sunne shall not smite thee by day; nor the moone by night. Behold, he that keepeth Israel shall neither slumber nor sleep. Day after day they pour out speech; night after night they communicate knowledge.
