Heikki Eidsvoll Holmås: A Partnership Beyond Aid

The reserve requirement has been reduced from 25 to 17, on top of a reduction of 6 bps in early March, and the remuneration on reserve requirements on savings accounts was lowered to encourage lending. He co-founded the International Climate Change Development Initiative a platform that identifies key environment-based issues affecting development across Africa.

Africa: Building Small Businesses Creates Jobs for Africa

Typically a locomotive is capable of pulling half its normal load on gradients of 1%; a 10% gradient would severely limit the total haulage capacity of this route.

Policy Responses to COVID19

As the number of cases has been on a downward trend in the past couple of weeks, a gradual reopening is underway, mainly reflected by the reopening of kindergartens, schools, gyms, cultural events, and shopping centers. BRIGITTE TAWK Lebanon , aligning with statements of the Group of 77 and China, as well as the Arab Group, commended the establishment of UN-Women.

Dar es Salaam University Press

Empowerment and equality of women was needed to benefit from the potential and talents of half of society — it was the best way to achieve development, help health and promote education.

MEDA

Wearing protective masks is now mandatory throughout the country in public transportation, medical facilities, shops, and malls, employees and clients where face to face contact is required, services that require close contact, drivers and all other employees in public transportation vehicles, as well as passengers, employees of all hospitality services who serve and prepare beverages and food, all health care workers and visitors to hospitals, etc.

MEDA

Superfinanciera has allowed supervised entities to reprofile all loans that were less than 30 days over-due on Feb 29. He also raised the conversation about changing the restrictive laws on safe medical abortion and has received governmental buy-in from two states in Nigeria, Edo and Delta. He is Deputy Editor of Brittle Paper.
