History of Long Island

On Bowne peremptorily refusing to pay, the Governor determined to make a terrible example of him and ordered him to be deported to Holland and there be punished by the highest authorities and in a manner in keeping with the enormity of the case.

History of Long Island

Probably, therefore, the armament had been moved to some of the forts in the established line of defenses where it might be enabled to do more effective service than in an outpost to which was opposed an entire fleet and a veteran army. From its very nature the water front of New Utrecht presented many convenient places for sening to the enemy on the waters or on the land across the bay the persons or the communications of spies and informers of all sorts, and it also gave the British a stretch of coast line which from its extent and unguardedness almost invited a descent.

History of Long Island, from Its Discovery and Settlement to the Present Time... with a Biography of the Author (Vol. I)

Farrington and Noble, two of the signers who held office as Magistrates, were arrested, as soon as possible after the redoubtable Governor Peter had deciphered their names in the remonstrance, or Nicasius De Sille, his Attorney General, had deciphered them for him. The Corchaug name of what became Southold was Yennock. Apropos to the long continued church government it is intersting to recall the case of a dominie who performed his own marriage ceremony in 1663, while another wife was still living.

History of Long Island: From Its Earliest Settlement to the Present Time : Peter Ross : Free Download, Borrow, and Streaming : Internet Archive

Soon after his return to England he was appointed vicar of Edburton, in Essex, and in that beautiful parish his declining years were spent in tranquility. Two of them, women, as soon as they landed in New Amsterdam, began preaching on the streets to the astonishment and disgust of old Peter Stuyvesant, a straight-laced, single-minded supporter of the Dutch church.

NEW UTRECHT, LONG ISLAND, NY, HISTORY

They received the contract on 7 November 1962, and ultimately built 13 lunar modules LMs.
