The other textual moments which would meet the accidental death theory can also be interpreted as clues indicating suicide: the allusions to the fact that Hugh died because of love, the memory of his head in a knotted rope, the reference to his secret life.

### New Directions Publishing

Oeuvres complètes du Marquis de Sade, tome 3, Paris, Pauvert, p. It is draped in comments and readings, competing to gain the upper hand, sometimes serving, sometimes disserving it.

### The Blood Oranges: A Novel on Apple Books

I could wait to finish this book, novel, story? Sale, I assure you to be as mean and tragic as the tale itself. This perfection is reflected in the prose as Hawkes communicates his vision of this Utopia with beautiful poetic passages .
