## Details of Brutal First Slave Voyages Discovered

THE ROLE OF SLAVERY The institution of slavery is not a recent phenomenon. In the English colonies along the Atlantic coast, indentured servants initially filled the need for labor in the North, where family farms were the norm

## America's History of Slavery Began Long Before Jamestown

There was limited interaction between the Slavs, who were tribute-paying ploughmen under the Scythians, and the nomads.

## Myths of Russian History: Does the word 'Slav' derive from 'slave'?

In the South, however, labor-intensive crops such as tobacco, rice, and indigo prevailed, and eventually the supply of indentured servants was insufficient to meet the demand. Charleston Plantations A sale of an enslaved person would generally send the individual to one of three places: a home in the city of Charleston, a plantation or somewhere else in the U. The South Slavs consolidated also the.
