### Navaratri 1996

With the support by the 62 Division of the Sri Lanka Army for the Weli Oya ceremony, each child received essential school supplies to meet their annual requirements for the year 2020. I started my studies with the two snake divinities Kadru and Vasuki. There are so many rules in observing food habits.

### Atlas conducts Manasaloka learning exhibition

We are driven by a passion for shaping and creating an equal learning opportunity environment and thus, look to engage in programmes such as this. Sadguru is doing research in the copper wire i. We do not know is the beginning point and where does it end point.

Till then, it keeps closed. To create a space that allows for creativity and imagination and not just memorization and repetition.

### Fire Rabbit Heart Blog

In this Universe, this is not the only Sun. As He is in Brahma roopa, His talk or preaching, when practiced and Service to the Sadguru is done, one will attain Brahmaloka or Satyaloka. There is this wonderful equality but no one has tried to utilise it.

### Atlas conducts Manasaloka learning exhibition

He is the first progeny and carries the lineage of Pandya king. I appreciate your time and your mind, I don't intend to waste either. Electricity is passed through this and using this for different purposes.
