## Aer Rianta International and Indian partner IDFS win Delhi joint venture duty free tender

I feel that if the company were privatised it would not cause the State a major problem in that even though the State has a major share the dividend is very small.

### Moscow

We must also challenge the whole issue of business plans or, more important, the lack of them. Also the problem of lack of tunnel capacity would hardly be rectified.

### State Airports Bill 2004: Second Stage (Resumed).

The catchment population at Bristol is sufficiently large to attract airlines to a sizeable market that has to be served. However, political demonstrators in their distinctive orange and blue colours were far outnumbered by shoppers, buskers and people enjoying Kyiv's Indian summer. I would argue forcefully that cork limercik and galway would be much better served by an eastern railway shuttle service and one single airport at shannon.

### Contribution to the study of PPP arrangements in airport development, management and operation

Kelly is to be an investor in the fund and an ambassador, but his exact role is yet to be determined. This country's weather conditions mean that we need to make provision for all-weather facilities.
