## C.U.P. - Moral Values and the Idea of God

Ethics

### Moral Argument

(θ)

The issue is not: "Must we believe in God in order to live moral lives?" No

The issue is: "If God does not exist, do objective moral values exist?"

Formal Presentation:

P1: If God does not exist, then objective moral values do not exist

P2: Objective moral values do exist

C: Therefore God exists

\*Key\* - defend the idea that morality is objective and that society and individuals are inadequate sources for them

### A Case For Secular Morality: Objective Morality Without God

The illusions of the senses are corrected by the means that cause them, that is, by additional sense-perceptions, which make comparison and criticism possible.

Craig: Boy, this is a great question.

### Morality

His moral courage to do only the best for his people is worth imitating by our leaders.

### Do you have to believe in God to be moral? Most in US say no

Your conscience calls on you to risk your life to save the life of another. In the first place, the definition implies the legitimacy of the conceptions of a least infinite and of greater infinites, and therefore cannot express what is distinctive of the divine essence. So it does have a strong sense of transcendent moral absolutes.
