Although they managed to seize control of the northern end of the bridge, German resistance by SS Panzer Divisions was too strong.

## Documents

This could cut it off from the rest of Germany, meaning no armaments or munitions for German soldiers. In the period from June to August 1944, the Allies advanced beyond Rome, taking and closing up on the Gothic Line. The War North of Rome June 1944 — May 1945.

## ファイル:The Allied Campaign in North

The EZA account is not a licence. Faithful reproductions may be reused under that licence, which is considered expired 50 years after their creation. Bernard Montgomery was told that his idea was negative.

## THE SECOND WORLD WAR 1939

North-West Europe 1944-45 British landing on D-Day. In Kent Roberts Greenfield ed. Landings behind the line during Operation Shingle, advocated by the , were intended to destabilise the German Gustav line defences, but the early thrust inland to cut off the German defences did not occur because of disagreements that the American commander, , had with the battle plan, and his insistence that his forces were not large enough to accomplish their mission.

## **Файл:The Allied Campaign in North**

Planning studies for the return of the British Armed Forces to France had already begun in the summer of 1940 and the amphibious raid on Dieppe in August 1942 was the logical result of these studies and assessments. ITINERARI DELLA LINEA GOTICA 1944. United States Army in World War II, Mediterranean Theater of Operations.
