## 6 lessons I learned as a student teacher

Extrinsic benefits When students receive external rewards and incentives for learning e. If so, what did you and your students learn? She discusses the project and the students' perspective on her learning.

## Remote students are more stressed than their peers in the classroom, study shows

In modern teaching approaches, there is a high premium put on developing one's unique knowledge through the pursuit of the scientific method, using such didactic methods as observation and hypothesis. We all behave differently in different settings. This is unheard of in any other degree I have ever obtained.
