Students were shocked it was written in 1991, most of them assumed it was far older.

Imagining Serengeti

Cholera epidemics in East Africa.

Imagining Serengeti

A market approach to development also meant fewer state resources devoted to public services and basic state functions.

EXCERPT: Selling the Serengeti: The Cultural Politics of Safari Tourism by Benjamin Gardner

Here the agency argument kicks in way harder: that the farmers deserve credit for distinctive inventions, practices, etc.
