She developed the first modern hospital nursing, pharmacy, laundry, and nutrition services.

### Leadership Scholarship

Chris Noah Hsiao is a student at New York University Rory Meyers College of Nursing. The NHS long term plan sets an ambitious vision for the future and is dependent on digital technologies and improved use of data to respond to growing demand and provide the best, most efficient care for patients. To promote a more positive and productive workplace culture, we must raise our attitudinal expectations and lower our tolerance for deviation from those expectations.
