Dixon says Townshend was unable to understand why his friends and comrades were ultimately censorious over his behaviour. Packaging should be the same as what is found in a retail store, unless the item is handmade or was packaged by the manufacturer in non-retail packaging, such as an unprinted box or plastic bag.

Kut: The Death of an Army is the fascinating, yet largely forgotten, story of the British-Indian Army, which was besieged in Mesopotamia from 1915 to 1916. It is an expert account of the tragic five-month Turkish siege, in which their enemies essentially outlasted them. It is an expert account of the tragic five-month Turkish siege, in which their enemies essentially outlasted them.

The author reveals the day-to-day preoccupations of not only the Anglo-Indian forces, but their enemies - the Turks - as well as local civilians caught in the chaos. This title recounts the siege from the British perspective of the officers and men trapped inside Kut, revealing shortfalls in logistics and planning that sealed their fates. These emaciated men were photographed after they had been liberated during an exchange of prisoners.
