Structural characteristics of peripheral areas: The relevance of the stock

The Irregularization of Migration in Contemporary Europe: Detention, Deportation, Drowning. Digging up Trouble: Environment, Protest and Opencast Coal Mining. Moreover, the impact of global and national processes has always been to create regional distinctiveness rather than to displace it.

Structural characteristics of peripheral areas: The relevance of the stock

After years of official disrepute, industrial policy IP is back in vogue at regional, national and international levels driven by concerns over competitiveness, globalisation, de-industrialisation, unemployment and the comparatively slow growth of the EU economy especially in this post-recession phase.
