Understanding Israel's love affair with Trump

In 1947, the United Nations adopted , known as the Partition Plan, which sought to divide the British Mandate of Palestine into Arab and Jewish states. The former covers the salaries of some educational personnel, as well as full or partial coverage of other projects operated by the local authority.

9780881254280

The book made a very understated case that the Israel Lobby has far more power over the U.

Understanding Israeli Interests in the E1 Area

Although the object of dispute during the , the region, then generally known as Palestine, remained under the sway of successive Islamic until the collapse of the at the end of , when it was placed under British from the.

The Church and Israel in the New Testament by Keith Mathison

We know from a multitude of Scriptures about the Devil's methods Genesis 3:1-5; Matthew 4:1-10; 2nd Corinthians 2:10-11 , and that he is the father of all liars John 8:44 , and his ministers appear as righteous ministers to deceive people 2nd Corinthians 11:13-15. Local authorities also promote and financially assist cultural and sports activities libraries, museums, youth clubs, etc. Israel has refrained from tackling this phenomenon, particularly because of international pressure and activity by leftist movements that provide support to this illegal settlement activity.

How Does the Israeli Government Work?

Although the nation of Israel was often involved in idolatry, apostasy, and rebellion, God always kept for Himself a faithful remnant—those who trusted in Him and who would not bow the knee to Baal 1 Kings 19:18.

Understanding Israeli Interests in the E1 Area

Since those early days, the deserts have been reforested, the rocky fields made fertile, the swamps drained and planted, the ancient terraces rebuilt, and the ruined cities of old re-established. In order for God to protect His purposes for the Children of Israel in the Land of Israel, He promised to bless those who blessed Abraham and his descendants and curse him who cursed them.
