2020 Top Legal Issues in The Auto Industry

OECD work on a range of sectors, most recently on industrial sectors such as aluminium and semiconductors, shows that high levels of government support are having important effects on production levels and global competition. But we are not going to lie here: writing a dissertation is a huge task.

International tax: trends and developments in 2020 and beyond — Financier Worldwide

For now, a number of congressional leaders are raising concerns over two particular issues: the growing role of state-owned enterprises SOEs ; and the expanding number of countries that are adopting national security review mechanisms. Reasonable minds can differ as to whether a particular merger or conduct challenge by the agencies advances the established goal of U.

COVID

However, we outline below some guideposts that are emerging in this area as your company thinks about how best to comply with regulation as well as secure and maintain consumer trust as data privacy laws and consumer expectations continue to evolve.

2020 Top Legal Issues in The Auto Industry

More than ever, tax planning must be based on sound business reasons and on a substantive presence in each jurisdiction, in order to benefit from EU and tax treaty benefits. Attachment B to the minutes of the November 1999 meeting of the AICPA International Practices Task Force illustrates the differences between the Canadian GAAP model and the FASB staff model.
