An Ancient Economy

Mining in Ancient Egypt The ancient Egyptians rich community invested a great deal of time and effort into mining, precious metals and gems were only found in the hands of the few.

An Ancient Economy

There were some who were the usual fishermen and they would eat some of the fish themselves and they would also sell quite a bit of it to the markets.

Ancient Roman Economy

All the authors are resolved to go beyond the orthodoxies established by Finley; they actually do incorporate questions and methods from economic history and theory of other periods without exposing themselves to the accusation of formalism or modernism. A lack of a strong narrative connecting the various chapters gives them a bit of a disjointed feeling, perhaps a reflection of the book's origin as a lecture series, and leads to a rather abrupt ending despite the further considerations chapter of the second edition that I read.

The Economy of Ancient China: Change and Expansion

Paper solved a major problem which the bureaucracy experienced. Abu Yusuf favored the use of tax revenues for socioeconomic infrastructure, and included discussion of various types of taxes, including sales tax, death taxes, and import tariffs. Antiquity lacked such institutional behavior.
