Uzbekistan

Demographic changes in the 1960s and 1970s whittled down the overall Russian majority, but they also caused two nationalities the Kazakhs and Kirgiz to become minorities in their own republics at the time of the 1979 census, and considerably reduced the majority of the titular nationalities in other republics.

Religion in the Soviet Union

It is said that the successful efforts on the part of the anti-Soviet reformers in Poland may have ultimately spurred the downfall of the Communists.

Bloc. July-August 1980: The 1980 Summer Olympics are held in Moscow, with several countries, including the United States, the games in protest of the December 1979 of Afghanistan. As the government invests in the country's diminished science base — the overall number of researchers has declined by more than 100,000 since 1995 — expectations will rise and so focus new attention on the academy's sagging performance.
