Do multicultural policies ameliorate the potential negative reactions by majority group members to increased demographic multiculturalism, or do such policies exacerbate them? Because our identities are formed dialogically, we are dependent on the recognition of others. The French language is not merely a collective resource that individuals might want to make use of and thereby seek to preserve, as suggested by a politics of equal respect. On the one hand, the lived experience of diversity; and, on the other, multiculturalism as a political process, or rather a set of political policies, the aim of which is to manage that diversity.

### Multiculturalism and moral conflict

On the multicultural map, diversity magically ends at the edges of minority communities. Equality of burdensomeness, however, is not an option: take creationist opponents of public school science curricula, or anarchist objectors to state coercion.

### Multiculturalism and moral conflict

He begins from the premise that freedom from domination is an important human good and that we have a *prima facie* obligation to reduce domination. It is unclear at this time, however, whether this represents the beginning of a downward trend for multicultural policy, or whether it is anomalous. There are two distinct concerns here.

### Multiculturalism and Moral Conflict

In his speech, Cameron called in part on a vision of classical Western liberalism predicated on universalism and individual equality. Cultures are not distinct, self-contained wholes; they have long interacted and influenced one another through war, imperialism, trade, and migration. They give primacy to individual rights and liberties over community life and collective goods.

## **WHAT'S THE PROBLEM WITH MULTICULTURALISM?**

The political argument cannot be resolved purely by conceptual analysis.

### **Article: The Debate Over Multiculturalism: Philoso..**

The irony of multiculturalism as a political process is that it undermines much of what is valuable about diversity as lived experience.
