Councillor Dr Hall congratulated the members involved in the Task and Finish Group for their work so far and considered the recommendations to be a very sensible way forward. Over the past months the Snowdonia Green Key Initiative has held seven public meetings in the area and a draft strategy, which suggested ways of integrating the tourism industry with the local economy, has been circulated widely.

The policy in relation to this is set out below.

Snowdonia Green Key Proposals

Policies have been formed to ensure deliverability of AHLN in shared-settlements where land is unavailable as a result of constraints.

Snowdonia

A review of the Green Belt will be considered through the preparation of the Core Strategy Review Local Plan that will follow on after the Site Allocations DPD. Table 5 above shows the total housing requirement for the Borough for the 20-year period 2006-2026.

For example, the boundaries of the Primary Shopping Areas are defined spatially within this Site Allocations DPD, but the policies referring to the uses acceptable within these areas are set out within the Local Plan. Indeed, one key forecast made in summer 2020 predicted a reduction in the economy for 2020 of 9. It will also have huge knock-on effects to the smaller villages of the area and to businesses as a whole.

If there aren't any stops along its proposed route, then I REALLY despair. The Core Strategy also confirms that the extent of neighbourhood centres will be identified on the Proposals Maps in this DPD. An appeal in relation to a proposed single dwelling in the countryside in Horsham District was dismissed in part because the inspector accepted the concerns of a nearby dog kennel business that the construction noise could affect the health of their dogs and indirectly affect the business economically if it had to close during this period, especially when considered in conjunction with the downturn in business they had generally suffered due to the coronavirus pandemic The Mount, Ifield, Crawley, 27 July 2020.
