## 2021 insurance industry outlook

Arkansas Blue Cross will also ensure formulary flexibility if there are shortages or access issues. That said, while the interest in alternative treatments is growing, insurance companies are not keeping up. Anthem will cover the cost of coronavirus testing with no out-of-pocket cost.

## U.S. Insurance Company Asset Liquidity

In addition to increasing the number of drive-thru sites, CVS Health has expanded its network of independent third-party lab partners in an effort to help improve turnaround time for the delivery of test results. When policyholders renew, they would stay at the 10% glide path and new policyholders would reset for that vintage, he said.

## Crisis Response Insurance

Nearly half the telehealth visits since the crisis began have been for mental health services, including psychotherapy.

## Florida Property Insurance Market Inches Closer to Crisis

The waiver applies to all medical costs related to COVID-19 treatment, as well any FDA-approved medications or vaccines.
