## Raphael Samuel, British Marxist Historians 1880

Engels believed that it was actually Marx and not himself who formulated the foundations of dialectical materialism and who maintained that it was the one and only one objectively valid and fruitful alternative to mechanistic materialism.

## in Debs Pamphlets: Indiana State University Library

Wells, has had more to do in creating, sustaining and governing this world than another, that is to say, there is no ground for believing that the personal, conscious gods in the skies either individually or collectively have had anything at all to do with it.

## Brown, William Montgomery 1855

I insist that the practice referred to must be revolutionary practice or else that theory is neither revolutionary nor dialectical.

## A Defence of the Relationship between the Marxist Dialectic and Revolutionary Practice

Even when man struggles with and tries to secure his control over nature, he remains part of it. Simmel, The Web of Group Affiliations, p.
