For example, if accommodating an employee would be too costly or not practical, the employer may not be required to put in place all of the requested modifications to a job position.

Chapter 19. Choosing and Adapting Community Interventions

Those assets ought to be identified, just as thoroughly as needs Online Resources , by Stanley M.

Dynamics of Homelessness

A tenant may choose not to comply with an eviction request, based upon a Human Rights Commission violation. What is common to each of these forms of housing is that none are appropriate as short- or long-term housing.

What Everybody Is Getting Wrong About FIRE

However, even in those communities, the relentless pressure of increasing demand makes compliance with even minimal standards difficult.

Chapter 3. Assessing Community Needs and Resources

Instead, such a survey usually asks about needs that concern your particular community or group. Community needs can change; you want to be sure you know if, when, how, and why they do. If not, is training available and affordable? These helped to understand what a housing investigation involving individuals who are marginalized entails.
