The Committee of both Houses empowered to thank the City, 11. Indeed, perhaps the most extraordinary fact about this collection is that the great majority of the books, now numbering more than 10,000, have been acquired through donation and bequest and that only about 10% or less have been purchased. In the year 1654, Cromwell, in order to render himself and his government popular, pretending to discover a conspiracy against his life, seemed to place great confidence in the citizens, whom he granted the power of the militia, and to raise forces under the command of their favourite leader.
