Gramsci, the Prison Notebooks and philosophy • International Socialism

Hegemony and political struggle Running through the notebooks are two related concerns. In contrast to most professional philosophy, which aspires to read as if written from nowhere, many contributors tell us about the relationship between their professional and personal lives and the ideas they discuss.

Robert Vinten, Leave Everything as it is

Journal of Yellow River University of Science and Technology, 17, 57-60. The value of labour power is determined by the amount of labour necessary for its reproduction or, in other words, by the amount needed for the worker to subsist and beget children.

Philosophical Issues: Human Nature

Broadly speaking, there are three main ideologies that have been invoked —individually or in various combinations—by social scientists in the scientific legitimization of their enterprise. The philosopher-sociologist has critiqued pure as meaning that scientific-thinking becomes something akin to itself.

Robert Vinten, Leave Everything as it is

The most ambitious and seemingly comprehensive work to appear has been Leszek Kolakowski's three volume Main Currents of Marxism London, 1978 , a curious blend of the thinking associated with the third and fifth categories, reflecting the author's own growing dissociation with Marxism
