Our Mission is to provide a place Where You Come to Get Away. The 10 is also a call to pay attention, to trust your instinct and honor your intuition, especially regarding making changes to move forward in your life, and to take action to create positive change as you're inspired. Why would the spirit guide you to find the coins instead of just talking to you directly? Whenever you receive a penny from someone maybe in your change there is always a specific meaning attached to it.
