Weekly Reading: Reading assignments from the special reader are imperative that you actually read them. For example, the text begins with the debate concerned with the balance between teaching and research.

Roundtable: The Importance of Spain to the Independence of the U.S.

Through actual fighting, provision of supplies, and money, Spain helped the young British colonies succeed in becoming an independent nation. With both France and Spain and Holland indirectly in the fray, Britain's navy was outmatched and could not effectively concentrate its military force in America. Clark relied on Gálvez and for support to supply his men with weapons and ammunition, and to provide credit for provisions.
