**East Tennessee History (Kingsport Press Strike: A Moral Issue (Part I))**

Historians have asked this question many times and have a variety of answers as to why people choose to strike and be without work.

### Garland vows crackdown on gun trafficking as violence surges

The main issues in the labor dispute were wage increases, vacation practices, reduction of the work week, seniority, and manning of equipment. Two years after the merger of Kingsport Press and Arcata National, Evans was selected to direct the newly created Arcata Graphic Services Group. It shows members in future contract talks that the first or even second deals agreed to by union leaders can be improved, she said.

### Kingsport Press Strike

Kristin Dziczek, senior vice president at the Center for Automotive Research, an industry think tank, said rank-and-file union members flexed their muscles in the labor dispute by rejecting two agreements endorsed by union leadership.

### Kingsport Press strike meeting

About 2,900 workers represented by the UAW have been on strike at the Dublin, Virginia, plant. Photo by Thomas McNeer, Jr. This next bit of correspondence is fascinating, I think.

### Kingsport Press strike meeting

I challenge you to find that football game photo taken at a time when spectators could see straight to the old Borden Mill with nothing to block the view! He guided the press through a period of rapid technological change as well as another expansion that included the construction and start-up of a second plant—a highly automated operation in Hawkins County twelve miles from Kingsport. This blog will showcase some of my academic endeavors, Rocky Mount adventures, and other professional interests.

It is one of the largest private sector employers in the region, with about 3,300 employees, 2,900 represented by the UAW. He also met with Chicago Mayor Lori Lightfoot and Police Superintendent David Brown and later visited a nearby church to meet with a group that is committed to violence prevention and intervention.
