## Chapter 9. Book producers' comments on text

Different stages and tools involved in corpus compilation and use are outlined, from corpus encoding and annotation to indexing and data retrieval, and the various methods and techniques that allow end users to make sense of corpus data are described.

### Epicene pronouns in intermediate to advanced EFL writing

Alongside this trend, we note that perceptions of writers using the words vary enormously in regard to which loans are integrated and familiar, matching neither listedness nor frequency-of-use patterns.

### LINGUIST List 11.1074: Pragmatics, Corpus Linguistics Pubs

To what extent are texts monologic or dialogic? Each chapter focuses on specific aspects of corpus creation and use.

### Fanny Meunier and Sylviane Granger (eds.). Phraseology in Foreign Language Learning and Teaching.

The proposed volume provides a reference source, identifying the state of the art in the field as well as future trends. As for pure translation studies, corpora have done their part through contributions to the studies on translational language and translation universals. .
