Analysis of Slang Words Formation Found in the Lyrics of Drake's Songs

The story of language part 1.

Mattiello E. An Introduction to English Slang. A Description of its Morphology, Semantics and Sociology [PDF]

In an attempt to describe slang, there is a general tendency to treat it as a merely social concept reinforcing cohesiveness within a group, or as a level of usage below stylistically neutral language. Slang also underwent some processes in general word-formation.

Elisa Mattiello

Again, is slang internally organized in terms of semantic relations and lexical fields, or is it rather a disorganized, complex lexicon made up of vague words and polysemous expressions? The paper more specifically investigates the evolution of splinters, or word parts in blends Lehrer 1996, 2007, into more productive morpheme -like elements which are available for the creation of both neologisms and occasionalisms.

AN INVESTIGATION OF WORD FORMATION PROCESSES OF INDONESIAN SLANG WORDS

Slang separates society into groups along various dimensions, and this fact is certainly of great relevance in sociology and partly explains specific linguistic features of slang, such as its search for originality and secrecy.
