### Career Opportunities in Veterinary Medicine

DVMs employed by companies that offer products and services for pet owners and veterinarians may be involved in research, sales, technical services, and more.

### Career Opportunities

The United States Department of Agriculture is the single largest employer of veterinarians.

### Surprising Career Paths You Can Pursue With a DVM Degree

Veterinarians usually must obtain a separate state license for each state they wish to practice in. In all states veterinarians need a license to practice.

### Career Opportunities in Veterinary Medicine

Future employment opportunities will mirror society's involvement in issues of energy, quality of food, human health, and quality of life. Included are sections on career coaching, resume writing, reference checking, and location searches.
