The Women's Movement In Latin America: Participation And Democracy, Second ...

His research focuses on modern Ukrainian, Russian, and Polish history, and on Marxism and nationalism in Eastern Europe. While some of their lockdown policies and enforcement actions were illiberal, experts of these. Prospects for broad political and economic restructuring have given way to pragmatic programs to attack the most obvious social effects of the economic restructuring.

Latin American democracy is crumbling under corruption

The social unrest reflected widely spread frustration with high and persistent inequality of opportunities that prevailed despite significant improvements in social outcomes. Devolving power would attack corruption from a number of different angles.

TRANSITIONS FROM AUTHORITARIAN RULE PROSPECT FOR DEMOCRACY

But the composition of populist leaders as per our sub-categories has changed, with cultural populism coming to be the dominant variant.

What's Behind the Chile Protests?

Whether they will become more or less rare under conditions of globalization will be judged by each writer as a function of his or her interpretation of historical trends and would-be developments, subject also to personal ideological biases, hunches, fears, or wishes.

TRANSITIONS FROM AUTHORITARIAN RULE PROSPECT FOR DEMOCRACY

Now there are only four — still all in Eastern Europe.

Chile embarks on path to drafting new constitution after referendum

It publishes peer-reviewed articles based on original research, in English, French, Portuguese, and Spanish. Corruption erodes confidence in human nature itself, and thus undercuts democracy at its deepest metaphysical core. All face post-administration legal charges.
