## Bhagavad Gita (Song of God) Conclusion

The Gita is also prophetic.

## Song of The Lord

We are so full of definitions and our own understanding, that it is impossible to teach us. . Oppenheimer considered the Bhagavad Gita to be the central text that shaped his personal philosophy.

## Contents

He must aim at the utmost simplicity.

## Bhagavad Gita, The Song of God

This book details the conversations that Krishna had with one of the battling cousins who sought to be king.

## The Song of God

We have tried to explain the cosmology of the Gita, as briefly as possible, in an appendix. This Book is in English.

## Bhagavad Gita and Lord Krishna

Material and worldly things are related to the physical body not the soul, and pursuit of worldly things that please the senses will not satisfy the soul. By bringing together top experts and authors, this archaeology website explores lost civilizations, examines sacred writings, tours ancient places, investigates ancient discoveries and questions mysterious happenings.
