Now for those who face the challenges of sudden death, there is a hand to hold written by two women who have experienced sudden loss. In part two, there are stories that relate to different types of sudden losses: a friend, a parent, a child, a partner, and a sibling. Losing one's keys, forgetting where you are while driving, and sluggish reaction time are all commonly reported problems.

While it is human nature to want to help and care for others, we must understand at this trying time we will barely have enough energy to care for ourselves. I Wasn't Ready to Say Goodbye covers such difficult topics as the first few weeks, suicide, death of a child, children and grief, funerals and rituals, physical effects, homicide and depression. Eliot Pam's Story I believe no matter how much pain we're in, there is something inside of us stronger than the pain.

I Wasn't Ready to Say Goodbye: Surviving, Coping and Healing After the Sudden Death of a Loved One (A Compassionate Grief Recovery Book)

As a writer I just couldn't find my own words to deal. My turmoil was so great I just couldn't see the light of day. It has so many practical tips.
