## **Education: Helping troubled pupils through social pedagogy**

While their knowledge deficit remains, students who continue to struggle with literacy need both rigorously designed, cumulative practice and encouragement to aspire to more ambitious reading. The professionals working with them may lack the skills or resources to meet those needs.

## **Intervention Strategies for Students at Risk**

I bottled things up so it was helpful there was a place in school to come to. Indeed, some children have faced such an upheaval many times over.

## **Behind the scenes at a school for troubled youngsters**

The attitude of pupils towards prefects has improved tremendously.

## **Help for secondary school pupils struggling with literacy**

Sarah is a year older than him and has been here since she was excluded from a girls' school in the borough three years ago.

## **How to help pupils cope with stress and anxiety throughout Covid**

For many, these changes will inevitably create anxiety, especially given the ongoing threat of COVID-19 and new. Have an assistant help with testing situations. It was hard to concentrate in lessons.

## **Returning to school: 7 tips to help secondary students cope**

They were two teachers trained in peer counseling in our school but they were almost giving up on their effort to guide and council the growing number of deviant pupils. All club members were to be of very high integrity and to be role models to others. Teachers, teaching assistants and supply teachers can help to alleviate this.
