## Morocco (film)

Bull has the fancy clothes and girlfriend of later movie gangsters, but not the empire or organization.

## Style Essentials

By contrast, the relationship of Bull and his girlfriend Feathers was pre-established off screen before the start of the film, and undergoes little development or change through the film. Whether recreating a perilous train ride across revolutionary China on a Paramount backlot for 1932 , or invoking a South Sea island idyll on a Kyoto soundstage for 1953 , mise-en-scène was where he dazzled; his images suffused with dappled light, hazy fogs and the defining swirls of cigarette smoke within a frame that left little by way of empty space.

## The Films of Josef von Sternberg

In his prime -- the very era represented in this beautiful, lavish and essential six-disc Criterion box -- everyone and everything on his sets were his props and pawns. Seven Sinners was the follow-up. This too is a circular geometric element.

## Still modern after all these years ... Marlene Dietrich's ageless charisma

He had no suggestions for changes, he went ahead and let me do what I wanted. Cheers immediately erupted from the exhausted staff and everyone celebrated with champagne.
