Hidden from every eye, and all things seen are from Him—that hidden One manifest in works is my desire. The main character of the story represents the capacity of a people to survive with ingenuity, flexibility and adaptability in a harsh environment within the island and marginalized by the world. Witness such men as Vatel, the maitre d "hotel of Conde, that Cato or Decius of the gridiron, who transfixed himself with his own skewer because the fish failed to arrive in time for his master's dinner ; the Chevalier Gaudet, who, driven penniless from France at the outbreak of the first Revolution, made a fortune here by preparing salads at ten guineas apiece, always approaching the sacred bowl in full-dress costume, with his sword by his side ; and Soyer, who has written a history of Cookery, in which the mere perusal of the titles of the authorities cited is a liberal education.
