Old Minorities, New Immigrants: Aspirations, Hopes, and Fears on JSTOR

San Diego: University of San Diego Press: 1-15. More recent works by Mexican scholars on the militarization of the Mexico-Guatemala border and the militarization of law enforcement in Mexico Lopez, 1996; Fazio, 1996 do reinforce Dunn's argument about the political-economic and territorial needs of the U.

The ambivalent welcome : print media, public opinion, and immigration : Simon, Rita J. (Rita James), 1931

It made me aware of the current climate in California, of the resurgence of this virulent xenophobia. The Academy of Political Science is a nonpartisan, nonprofit organization founded in 1880 with a threefold mission: 1 to contribute to the scholarly examination of political institutions, processes, and public policies, 2 to enrich political discourse and channel the best social science research in an understandable way to political leaders for use in public policy making and the process of governing, and 3 to educate members of the general public so that they become informed voters in the democratic process. Z Magazine January : 52-54.

The ambivalent welcome : print media, public opinion, and immigration / Rita J. Simon and Susan H. A...

How do state practices toward migrants and refugees in the case of Guatemalan refugees inside Mexico in both countries correspond and differ? Border enforcement measures like Operation Gatekeeper should be considered in this larger context.

Public opinion and the immigrant : print media coverage, 1880

Public opinion and the immigrant : print media coverage, 1880-1980.
