Ethics for Public Managers / Edition 1 by Harold F. Gortner

There is need for managers to develop a set of values and beliefs that will help them attain the ultimate goals of profits, survival and growth. The main damage done by this bail-out - and this nationalisation is indeed a bail-out - of Northern Rock's creditors, employees and other stake holders if not, as I fervently hope, of its shareholders - is to future incentives for prudent lending and funding in the UK banking sector. Management Decision, 28 1 , 9-13.

Theories of Ethics for Public Sector Managers Essay Example

There exists a clear vision and picture of integrity throughout the organization. Business ethics has gotten more attention recently because of the social responsibility movement that started in the 1960s. They should assess their needs, analyse them in the light of business needs and integrate the two by allowing the stakeholders to participate in the decision-making processes.

Complete Guide to Ethics Management: An Ethics Toolkit for Managers
