**Ivan Meštrović (August 15, 1883 — January 16, 1962), American architect, sculptor, writer**

We will also be looking for distinctive crucifixes from North America, including African-American, Latino, and Native American crucifixes. In his art, he blended these traditions with artistic influences of classical antiquity and the art nouveau style. Ivan Mestrovic is considered the greatest and most sought after Croatian sculptor and one of the most prominent sculptors of the 20th century.

## IVAN MESTROVIC BRONZE SCULPTURE AT JENNMAUR GALLERY

The answer to our problems was Colonel Fred B.

### Biography

He donates his house and studio in Zagreb Atelier Meštrović , the family mansion in Split Gallery Meštrović , the western part of Crikvine-Kaštيلac in Split, the family tomb, i. A fine and effective university museum, with aspirations to teach, must have a collection of Old Master drawings. He is elected honorary member of the Yugoslav Academy of Science and Arts in Zagreb.

## IVAN MESTROVIC BRONZE SCULPTURE AT JENNMAUR GALLERY

After deplaning, we stood in the middle of a field, far from the terminal, and watched a silver truck pull up. Nevertheless, his sculptures, which combined classical and modern styles, remained incredibly popular with the general public and the Notre Dame community.
