## Be Not Afraid, Only Believe

My Grandfather's Scolding and Cursing My mother used to tell me about her father who, back in the day, scolded and cursed radio programs and announcers My background should be a help in writing this blog. She went to Semele in the guise of an old woman who had been Cadmus' wet nurse. But what would our lives have been like if we had waited or delayed or worried unduly about the economics of it all? This same myth of Dionysus' descent to the underworld is related by both in his first century BC work *Bibliotheca historica*, and Pseudo- in the third book of his first century AD work.
