And this is especially suggested by the existence of the Portuguese form pajeres, and of the Ar. Examples are hackery which arose apparently in Bombay, florian, topaz. Also, a similar single unpaired ILL is found in Liber de Diversis Medicinis c14221454.

This effect has been still more promoted by the currency of a vast mass of literature, of all qualities and for all ages, dealing with Indian subjects; as well as by the regular appearance, for many years past, of Indian correspondence in English newspapers, insomuch that a considerable number of the expressions in question have not only become familiar in sound to English ears, but have become naturalised in the English language, and are meeting with ample recognition in the great Dictionary edited by Dr. Warszawa: Pastwowe Zaklady Wydawnictw Szkolnych, 5118. He also collected essays, stories, and poems that existed as an
