### Martha, Josie and the Chinese Elvis at Park Theatre Cast Confirmed

The interactions between Lionel and Martha are both touching and hilarious. The simple, yet highly attractive yellow and orange set Amy Mitchell not only looks good but also is easy to use, aided by imaginative lighting Nat Green that brings out the few more serious moments.

### Martha, Josie and the Chinese Elvis, Park Theatre

How wonderful to be able to go and see a play where one can sit back, relax and really ENJOY it! The action is seen through the eyes of three characters superbly performed by Luke Dayhill, Lucy Walker-Evans and Andrew Paul. Lionel Andrew P Stephen looks just like the owner of a dry-cleaning establishment, and makes the most of his bald head! I wouldn't want to give too much away, but the play concludes in true Christmas

fashion.

Signal Theatre Company co-founder Robert Wolstenholme directs the production. Jones could shorten just a bit to tighten the material and keep things focused. So what, you may ask, is Martha, Josie and the Chinese Elvis doing at Woolly Mammoth, D.
