Timeline of Hull

A final characteristic of industry in Hull was the high proportion of jobs which were either seasonal or casual, or unusually uncertain in their prospects. Hull practiced law in Washington D.

Hull, Massachusetts

The growth of the coal export trade did something to offset this, but as late as 1908 it was complained that Hull was 'still badly in need of a good export trade'. His generosity all those years ago is still bearing fruit to the glory of God and for the wellbeing and flourishing of the Charterhouse community over all this time.
