**Four global economic trends we need to take seriously**

Bureau of Labor Statistics BLS estimates that the labor force participation among parents of children under 18 fell about 1% in 2020. And some previously valuable machines and buildings are no longer profitable given the new shape of the economy, reducing the amount of capital available to businesses. Businesses are likely to respond to the ongoing trade policy volatility.

## Business and Economic Trends to Plan for 2021

These re-openings and have allowed the labour market to begin its healing process, which is likely to take some time.

### 5 Economic Trends to Watch in 2021

The Senate voted 67-32 to begin the process for moving the bill. The BLS 2019 through 2029 projections do not include impacts of the coronavirus pandemic and response efforts, as the historical data was finalized in spring 2020.

### TRADING ECONOMICS

Ira Kalish Chief Global Economist, Deloitte Touche Tohmatsu Dr.

## Six Trends That Affect the U.S. Economy

Policymakers will have there work cut out for themselves in face of innumerable challenges while entrepreneurs and investors will face many new risks as they navigate an unfamiliar world, but one with its own unique set of opportunities. A second major trend is climate change. By then, the cheap sources of oil will have been exhausted, making crude oil production more expensive.

## Business and Economic Trends to Plan for 2021

This reflects a faster productivity growth through the forecast horizon as the pandemic jump-starts the widespread adoption of new technology.

## **10 Trends That Will Shape the Global Economy Over the Next Decade**

The unemployment rate falls, albeit slowly at first as people reenter the labor force. The patient relapses 10% : American businesses and households remain complacent about the course of the disease in other parts of the world even as new variants are spotted every week. But in just five years time, people will be interacting with connected devices on average every 18 seconds compared to 6.
