Writing Short Stories: A Writers' and Artists' Companion (Writers™ and Artists™ Companions)

The writing exercises provided in the book are a good jumping board to bump off any clutter in the brain and better an aspect of the story. Yet the chapter was complete. The information is useful and comprehensive.

Writing Short Stories: A Writers' & Artists' Companion

The author comes across as a compassionate teacher, one who enjoys teaching and wishes to help us become better writers. Really - you can write in many ways, do things that run counter the conventional wisdom - if you know why you're doing it, if you're aiming at a certain effect. Part Three closely examines the fiction-writing process and helps guide writers who may never have written a short story before through drafting, revising, and polishing short stories of their own.

Writing Short Stories: A Writers' & Artists' Companion

The first part about the history etc. Ideal for anyone interested in writing short stories or for introductory courses in fiction writing, A Short Story Writer's Companion is a highly accessible guide to the craft of creating short fiction.

We carefully review the practices and policies of each contest before including it in the Writing Contests database, the most trusted resource for legitimate writing contests available anywhere. Have the courage to ask ; - Firstly: - I give 1 star to this book because of the typeset. She is a Fellow of the Royal Society of Literature.

A Short Story Writer's Companion by Tom Bailey

It was almost like communicating with someone through my draft document. There are chapters on plotting, characters, re-writing and editing voice, length, manuscript formatting, and submitting your work for publication--all of which are thorough, encouraging, and thought-provoking.

A Short Story Writer's Companion / Edition 1 by Tom Bailey

Did the acquisition manager sleep with the typesetter's wife? Reading Bailey not only informs you on how to write but about writers as well. Sometimes staying focused on my current writing piece was the biggest struggle. I loved the chapters where both authors dissected one of their own stories and Every now and again I do like to read a book that will help my development.
