Roberto De Nobili: Missionary who used deceit to convert Hindus

In 1610 the newly appointed visitor of the provinces of Goa and Malabar, Nicolau Pimenta, censured Nobili, who promptly appealed to Rome. Meanwhile other Brahmins, jealous of Nobili's successes, tried to have him dubbed a Parangi and expelled.

Roberto de Nobili: A Case Study in accommodation

Justin Martyr and Clement of Alexandria manifested a deep respect for pagan wisdom and showed a willingness to explain the Christian mysteries in language borrowed from Stoic and Platonic philosophy. He tried to explain that the term Brahmin meant Doctor or scholar and not priest. To do so, he would have to change his status in Chinese society and the dress which proclaimed that status: his ash-coloured rags for the plum-coloured silk and tall black hat of a mandarin.

The Christian Swami: Tale of Roberto de Nobili

He said he could not sign such a document. According to Vincent Cronin, in his work A Pearl to India: Life of Roberto de Nobili published in 1959, the young Jesuit priest had decided to work away from Goa since he was confirmed that conversion been made in the islands and along the beaches, protected, if necessary, by Portuguese guns.
