**'Cause we are living in a digital world and tweens are the digital girls and boys...**

Goodstein urges parents to take the plunge into cyberspace not only in order to keep their children safe but also to build closer relationships. You can listen to the full.

**Totally Wired : What Teens and Tweens Are Really Doing Online by Anastasia Goodstein (2007, Trade Paperback) for sale online**

There is little perception of any need to shield personal information from others and this group seems willing to let it all hang out with no concern that the information might be something that one would wish wasn't available at some future date. New York, NY: Saint Martin's Griffin.

**Net Family News**

Full, unedited interview posted to the blog. Sandy Hirsh, Director of the San Jose State University School of Information and Co-Chair of the Library 2.

**Totally Wired: What Teens and Tweens are Really Doing Online**

While they might not always be seeking to promote awareness, they do use the tools to accomplish tasks for either their classes they are taking such as entrepreneurship or to promote the activity they in such as youth clubs and sport activities.

**Totally Wired: What Teens and Tweens are Really Doing Online**

This chapter began with a complete example and description of two different parents, both of which worked in a high tech field. There are many other issues concerning technology in the classroom.

**Totally Wired: What Teens and Tweens are Really Doing Online**

You also have to present information in an honest, straightforward way with no evidence of self-interest. Dealing with the idea of pornography and strangers trying to make contact are two big issues with teens and technology.
